“ My heart goes out to each of the siblings and spouses. James, stephen, tony, angel and husband dewayne, and nieces and nephews.
Sorry i dont know all the names.
I could write for days about the memories of our growing up together, some bad, a lot of good. Huntin fishin campin pine cone wars pellet gun wars (limit 2 pumps was NEVER FOLLOWED). Dirt clod fights, endless summer days at the rapids, building bicycles, riding millions of miles on them, oh did i mention bull nettle fights? Broken bones, burnt feet, sleeping upside down in a chair, christmas eves, halloweens in woodloch, the list never ends. Thank you Joe, for the endless pages of memories my friend. Forever in my heart and the family in my thoughts n prayers!

“ Condolences to Joe's family and friends. He was taken a too young of an age. I have great high school memories of hanging out with Joe and the rest of the crowd. We had lots of fun hanging out in the woods, or at the hill (which is gone I understand) or swimming at the river. We rode around in Joe's Javelin that had the floorboards rusted through, so that was always fun to watch the road beneath your feet go by. I haven't kept up with Joe through out the years, but I have lots of pictures of him. He was my prom date, and someone my age just isn't supposed to die. I share my sympathies with all of you. May you find peace in your memories of Joe.
