

Juan Luis Martinez

June 28, 1969 - November 28, 2022

Juan Luis Martinez passed away November 28, 2022. He was the best husband, father, grandfather, father in law, and brother his wife, children, grandchildren, sons in law and daughters in law and siblings could ever ask for. He taught us to be driven and hardworking and no matter what happens in life that we get back up and continue to live our lives. He loved listening to music, it was a part of him and it defined him. Everyday we could hear him sing for hours and never get tired of it. We remember him by what he always said, "No me voy, me llevan!".

Juan Luis Martinez falleció el 28 de noviembre de 2022. Fue el mejor esposo, padre, abuelo, suegro y hermano que su esposa, hijos, nietos, yernos y nueras y hermanos pudieron desear. Nos enseñó a ser motivados y trabajadores y no importa lo que suceda en la vida, que nos levantamos y continuamos viviendo nuestras vidas. Le encantaba escuchar música, era parte de él y lo definía. Todos los días podíamos escucharlo cantar durante horas y nunca cansarnos de eso. Lo recordamos por lo que siempre decía: "¡No me voy, me llevan!".
