“ We were strangers that became friends through Becky, then we were bonded by Sierra and we became best of friends and co-godmoms. I will miss you every day. You have left me with enormous godmother shoes that I will never be able to fill but will keep on trying. You will forever live in our hearts and I will forever be grateful for being a part of your life.
Until we meet again, we will keep on, keeping on! 💜💜💜
