

Kandace Jo Nichols

May 5, 2017

Kandace Jo Nichols passed away, May 5, 2017, at 9:47PM. She was surrounded by the softest of clouds and the brightest of twinkling stars. In her seven years, she was a teacher to many. She was a constant reminder of how blessed we really are and to hold our children even closer. Kandace taught us patience and compassion. She taught us to appreciate the quality of life.

She guided her caregivers on how important it is to keep your vows, when caring for others. She taught us promises were meant to keep.

Her inability to share her thoughts, play with toys and interact with other children, did not keep those who cared for her from seeing her personality, because we imagined what her life would be without injury.

Kandace, our daughter, has made a lasting impression. She will be remembered, because we will see something of her, in every child we meet.

We love you,
Your two moms.

She was preceded in death by her foster brother Ryan and is survived by her mother's, Myra Guilbeau and Dayna Ball. She has two biological sisters, one being an identical twin, foster siblings Viktoria, John and her oldest brother

Daymon.
