

Kathleen Margaret Ammann

August 31, 1958 - November 6, 2024

Kathleen Margaret Bonnell Ammann, age 66 of Tomball, Texas, was born in Hempstead, New York on August 31, 1958, to Judith Caporale and Richard Bonnell. She was the eldest of three siblings, born before Kristine Strohmaier and Kymberly Harvell. Kathy attended North Babylon High School, and afterwards she welcomed Jennifer and Jessica into the world before relocating to Texas and started her career as a caterer for a majority of her early years. Kathy met John through her former coworkers on a blind date in Houston, Texas. They then married in Houston on March 21, 1987, and fused their family together. Two years later, they welcomed their fourth daughter, Stephanie into the family. After many travels, memories, and moves, Kathy and John settled in Spring, Texas in 1993. On their 13th anniversary, they welcomed Cassandra into their family, and two years later, Alyssa. Kathy was strong, stubborn, social, and charismatic. She loved making friends, gardening, and she enjoyed people watching. Her biggest interests were her children, friends, traveling, and making the most out of the moment. She loved Words with Friends, crime shows, home improvement shows, and Wheel of Fortune. One of Kathleen's favorite slogans was "I love you more". After a life-long battle with physical ailments and survived hardships, she sadly passed with liver cancer on November 6th, 2024 at 4:45am.

Kathleen is welcomed with open arms by Jennifer Ammann (daughter), Judith Caporale (mother), Richard Bonnell (father and best friend), Jacob Snider

(grandson), Elizabeth Barber (sister-in-law), Keith Langford (best friend), Pepper (beloved cat), and Buttercup (beloved dog).

Kathy and John's marriage grew for 37 years. Her family tree continues to grow through her children: Jennifer Ammann (deceased), Jessica Snider, Tiffany Cook, Stephanie Ammann, Cassandra Ammann, Alyssa Ammann, and grandchildren: Alex Stember, Jacob Snider (deceased), Christian Snider, Keeley and Sutton Mendoza, and great grandbabies: Walker and Waylon Stember. There are also a host of friends who have been "adopted" into the family through the years, as Kathleen had a gift for welcoming others into her fold.

“ *Kathy was our neighbor for about two years. She was friendly, thoughtful, and kind to us. She was an excellent cook and offered us delicious holiday meals. She helped us and was concerned during our medical misfortunes. She will be missed.*

ME

“ *Kathy was like my second mom growing up. I probably spent more time at John & Kathy’s house than my own! I have so many great memories with her. I will always remember her letting me stay for dinner all the time. My favorites were pork chops with applesauce and beef stroganoff. She would also make the best bologna sandwiches for lunch for us. I remember loving her New York accent and would always ask her to say “salt & peppa”. She had the greatest laugh too. I remember always watching Wheel of Fortune during dinner and she also loved Buffy the Vampire Slayer. Can’t forget the matching Christmas dresses she made for Steph and I! The Ammann’s were the best neighbors. I’m thankful to have known Kathy and have many memories with her! May she and Jenny Rest in Peace together* ☐

“ *Kathy, your laughter, kindness and generosity inspires me every single day. Your friendship is an infinite blessing to myself and many others who knew and loved you. A pillar in this community, everyone (big & small) loves you beyond measure . You will be deeply missed, my friend. May the memories of you bring comfort and peace to all. Your spirit will live on, and we will meet again in heaven. I love you sister! 🙏*

“ When my family lived in Texas, Kathy was my mom's bestie. They laughed together always when Stephanie and I were kids and played together. My mom has since passed as well, but I believe my mom welcomed Kathy with open arms in Heaven, and they are continuing to laugh and have a good time in the best place imaginable. Prayers for the whole family!
Love and hugs,

“ When Kathy and I were in Jr. High on Long Island, NY, one day we got the bright idea to cut school. So instead of getting on the bus, we went walking into West Babylon, there were abandoned houses that kids would sometimes hang out in. We were in there, singing our Chorus songs, and someone called the cops on us. We saw the cops and ran a few blocks , and hid behind a dumpster next to First Zito's deli. Well the cops pulled up and brought us home. First and only time I was ever in the back of a cop car, Kathy and I laughed about it over the years, how we got busted for singing! Lol May she rest in peace!! Amen!

“ Just a few of my favorites. Proud to have been hugged, scolded, cared for and loved by ‘Miss Kathy’ I love you. I’d apologize for the h3ll that Steph and I put you through but we both know I’m not sorry, it was an amazing and adventurous part of our life and bonded us. Love you.
