

Kathryn Kime

December 3, 1967 - June 11, 2021

Katie Kime was born to William L. and Emily (Keeler) Kime on December 3, 1967, in Lansing, Michigan and passed June 11, 2021, in Houston, Texas. She is survived by her mother, brother Christopher and his wife Susie and their children Keeler, Lychelle, and Mandalyn, and her bonus family - Pamela Withrow, John Cordell and his wife Kristina and their children Mason and Trevor. Her father predeceased her. She moved from Holt, Michigan, to Houston and then to her home in Spring, Texas where she lived happily with her many cats. Ebbie and Butch (Ed) Stankowski enriched her Texas life with food and friendship. Katie worked in the medical billing field until ill health forced her into retirement. She especially enjoyed senior outings sponsored by Harris County Precinct 4 and her special smile graced the cover of one of their brochures. A fan of the Astros and Texans, watching JJ Watts play was a special treat. She also loved books and long phone conversations. The day of her unexpected death, she was to fly to San Diego for a visit with family followed by a rail trip to Michigan for more family time and visits with old friends. She was loved and will be missed.

Katie's life will be celebrated at a private family memorial service. Those who wish to honor her memory may do so with a gift to a no-kill animal shelter. She favored Texas Litter Control, PO Box 2537, Spring, TX 77383.

“ Just hearing of your passing via looking for you on Facebook. My sincere condolences, we met in 1988 and we took a fabulous trip to San Diego to visit your family and it was a wonderful experience, we had a great time with your gracious family members, your brother, and aunt and uncle (forgive me if I'm incorrect, I'm old now ☐☐ just turned 18, then 😞) hosting us and showing us all the local sites, and Mexico! I'll always cherish that very special event in my life, and I'm heartbroken to hear of your passing and that we lost touch, soon after that trip. I had never been that far away from my home, in Lansing Michigan and it was my first time on an airplane. R. I. P. Gal, your kindness and caring touched so many, I presume. Memories of our young, wild, and free days are cherished by me, for sure!

“ Kathryn reached out to me through 23 and me when she realized that we were closely related. I had hoped to meet her someday. Praying for peace for her and for those who cared about her.

“ Dearest Katie, I meant to do this sooner. But, you are still missed so much and always will be. We became pretty close over the last couple of years, here in Houston. We were Harris County Encore trip buddies. We had so much fun together while discovering interesting and exciting new places in Houston. I miss you! Love,
Jan
