“ Kay was my precious cousin and I have a lifetime of memories. Family was so very important to her. We started family reunions in 1983. We begin discussing a family cookbook and she moved it from discussion to completion! The first in 1994 called “The Taste of Memories” followed in 2012 by “The Taste of Memories II”. We also have a real treasure, the Vanderveer Family Bible with dates recorded as early as 1871. Kay and Larry located an antique bible expert, took the Bible to be checked, ordered inserts and Larry made a sealed glass case to assure it for future generations ! That’s how important her family was and we will always remember her with love. Marthann

“ I'm saddened to read of Kay's passing-- one of my first close friends, and a "sandbox buddy" in our very early years. Godspeed, Kay, and blessings on family as you all make this transition.

“ Not knowing about Kay, I intended to call to check on you this week but time got away from me. I am in shock and my heart is broken for you and the family. Kay was such a role model and an inspiration for all of us through the years and you, as a caretaker, showed such love and compassion over the past years. God bless you for that journey. I will continue to think and pray for you. None of us will ever forget Kay and her good deeds.

“ Larry,
I always treasured my friendship with you and Kay! I know the last several years have really been tough on you and your family. I would really like to attend Kay's service, however, my wife is having neck surgery on Wednesday prior to the funeral. May the peace and comfort of Jesus Christ be with you and your family during this difficult time. My prayers are with you old friend.

“ Kay was a good friend of mine in high school. We spent a lot of time together learning routines when we were majorettes together. I am so glad we went to visit Kay and Larry about three years ago, and spent the weekend together. We did a lot of reminiscing.

My sincere condolences to Larry and family.

“ I will never forget Kay when we were in the Cooper band and she was head majorette. We all had a great time with Merle Jenkins and the whole crew. She was a leader among her peers.
