

## Kenneth Alan Eaves

May 14, 1965 - May 23, 2022

Kenneth Alan Eaves (Kenny) left us on May 23, 2022 at the age of 57 in Houston, TX. Kenny grew up in San Antonio and Houston, but Houston is where he lived most of his life. He loved playing and watching sports (go, Astros!), pool, golf, fishing, and anything that involved water. He made many life-long friends around those activities.

Kenny never knew a stranger in his life. There were so many stories of him dragging around a tiny chair and joining anyone sitting in their front yards when he was a toddler, exclaiming 'hi, man...hi, lady!' and sitting down with complete strangers as though he'd always known them. Stories of his happy-go-lucky life could go on and on... but they share one thing, a love of people and a true zest for life.

He is survived by his parents, Karen and James Mills Eaves, his brother Kevin Eaves (Anna), sister Debbie Eaves Mathews, nephew Connor Mathews, nieces Sydney Mathews and Annelise Nodecker, and his best four-legged friend Caly.

A memorial service will be held in Kenny's honor at 12 PM on Saturday, June 18, 2022 at Addison Funeral Home, 18630 Kuykendahl Road, Spring, TX 77379. We invite anyone who knew him to attend and remember his life. Kenny was a huge fan of Hawaiian shirts and sports jerseys, feel free to wear

bright clothing in memory of him.

In lieu of flowers, please consider a memorial contribution to Austin Pets Alive,

“ Growing up I looked up to my cousin Kenny...possibly because he always seemed to tower over the rest of us cousins in height. He was the oldest and much of my youth I was the youngest. He was always so darn witty, full of jokes and stories. Also persistent with the game of pointing below my chin saying, “what’s that?” When I looked down, he would flip my nose! HA! He got me to look every darn time! Kenny had a carefree spirit for life like no other. There was a time he was boarding at my Grandma Lillian’s while attending UT. I am sure he brought so much joy to her day. I recall she commented to me once “I think Kenny will be a bachelor for life.” This was in the most positive sense because that was Kenny, living life freely to his fullest without limits! He loved life and people and everything that came with it. Sad I will not get another day on earth in his presence but know that he is kicking back with many who’ve gone before us living it up ensuring they are experiencing their best afterlife!

“ Rest in eternal peace, Kenny. Your exuberant personality was infectious to everyone you met. I personally had never seen you without a smile. I will strive to enhance these features in myself. But, you, my friend, will be my Heavenly strength to reach such a goal. God bless.

“ Still can't believe you are gone. The world was a better place with you in it, and I will miss you every day. You lived life on your own terms and packed a lot of life into the 57 years you blessed this earth. I will miss all of the concerts, golf, fishing trips and even the times we just sat around talking and laughing. You were a great brother and friend and have left a huge hole in my heart. I know God had a plan for you and I hope you are celebrating and telling some great stories with friends and family that left this world before you. Rest In Peace my amazing brother. Until we meet again....

“ Kenny was always a ray of sunshine in my life. We didn't spend a lot of time together or stay in touch well over the years but when we did talk it was like we had just seen each other. He only had positive words no matter what story he was telling. Like all the other souls he touched, I will miss that bright light.

“ *Oh what a great fun loving friend you were and always will be my brother. I will always be grateful to have met you almost 30 years ago. I will always cherish the fun times & adventures we shared together. Wether it was diving in Cozumel, , enjoying the ocean, rivers and lakes throughout Texas via boating, kayaking, fishing or tubing. You always had a passion for the outdoors and also enjoyed the company of others to the fullest while out on the town. I will always remember you for your positive outlook on life. Golf will never be the same without you 💔.  
With love forever brother 💙.*

“ I lost my best friend! We met when I was 17, and were instant friends. There are so many happy times we shared over the years that I struggle to find just one. I’m really gonna miss him making fun of the way I said my name when we first met - he always said that I was the only person he knew that had a 3 letter name but 2 syllables. My heart is broken 💔 I love you, Kenny!! Fly high with the angels!
