“ Kennon-in Durango this weekend. Went past ft Lewis college and thought of you. I remembered driving my red mustang to come and see you.
Shane Nelson told a story about when you picked him and a friend up when you saw them walking late at night. You Asked if they were wrestlers-they said yes, and you soad , “get in!” You were an epic hero to them! We had good stories to tell about you! Gone too soon, and you were with us here this weekend. -L
