“ So sad to see this news. Nikki and David were part of our Church small group a couple of years ago. Steph and I will be praying for you as you celebrate Nikki's life. She had a huge heart for family and God in the short time we knew her.

“ Such and beautiful and talented young woman to leave us so soon - I will always remember your intelligence, your kindness and the beautiful family you created. May those who remain suffer less for the love you leave behind.
