“ I had the pleasure of meeting Kristian as he took care of our Jura coffee maker at our office. We would chat when he came in and he was just the most humble, sweet, joyful human being. It was so refreshing to get to know such a gentle soul. He was so in love with his girlfriend and would often speak of her. It was lovely to get to know him if even for a short while. He is in the arms of the angels. Bless his family and friends on their loss.

“ Kristian was an incredibly important and treasured part of our Brew Group Family. I remember him walking in and all of us thinking he looked like a handsome young, Daniel Radcliffe- a great smile, a warm demeanor and a genuine air of gratitude for the opportunity. He was a bright and kind young man whose talent for our trade was undeniable. We enjoyed having him in the shop and the customers he met in the field were extremely complimentary of his personable demeanor and poise. He was an extremely outgoing young man with a heart for others. We are sending our deepest condolences to his family at this unbelievably tough time. His memory will live on our hearts.

“ *Amie & Kristen have been my claimed family for a very long time. His first guitar gig was to play at my last wedding 16 years ago. He did a wonderful job and I was so blessed to have him there. My heart is broken and it's hard to think that life goes on even when he is gone.*
