

Laura Sonia Felix

August 14, 2017

Laura Sonia Felix was born on October 28, 1954 to Reyna Camacho and Agustin Duran in El Salvador, San Salvador. Laura and her sister Reyna A. Williams came to the United States in the early 80's and from that time she made this country her home. She worked for the Klein Independent School District for 18 years. She worked day and night, she worked hard and never stopped. Everything she did and worked for was for her family and kids. In Laura's free time she enjoyed cooking, sewing, shopping, traveling and spending time with her daughter, grandchildren, and close friends. We grieve her loss, but remember her smile and generous nature.
