“ *Evelyn Dixon (Foster). How do I say good bye to so many happy memories. Holidays as a child so loud and crazy. Going to you and Tommy's games. The haunted house in Bryson. I have no words to say how unreal this all feels. You were a wonderful son, brother, father and husband although I never met your wife. I will never forget you dear cousin and i know that absence from this world is to be present with Jesus. I know he was there with open arms saying well done my good and faithfur servant. My prayers go out to your siblings, children, grandchildren and wife. I pray peace and comfort over them. Gods blessings to you.*

“ *Oh dear friend, what do I say? More like a brother for over 40 years. Till you became important and I got sick we could talk about everything and you never made me feel stupid. You, Ann, Betty and Carol was always there when I needed any question answered. There is a special place in heaven for you and I know you will make sure Carol is safe and with God's help and by his Grace she will be ok. We will be here as long as she needs and wants us. Ride high sweet David and be in no more pain.*
