“ *Linda was such a sweet, giving woman. I was blessed to know her this past year. She wanted others to know the Lord and feel better about themselves. Her radiant smile and can-do attitude will be missed.*

“ Linda always had a cheerful smile on her face and a song on her lips. She and I worked together on many retreats, planning the music, practicing the music. Her voice is joined now with the angels. I love you and miss you, Linda!

“ We Will Miss You

*A precious one from us has gone.
A voice we love is still.
A place is vacant in our hearts
which no one else can fill.
After our lonely heartaches
and our silent tears,
We will always have beautiful memories
of the one we loved so dear.*
