*My dear friend Linda. I thought you were coming back to NJ to rest and then today for some strange reason I found this on the internet. I am so sorry that I did not get the chance to say goodbye. We were more like sisters than good friends. There is not a day that goes by that I do not think of you. Knowing that you were finally laid to rest in Texas makes me feel a little bit better than not knowing anything at all. I miss you so much and wish that God did not take you so soon. I guess he needed another angel. Until we meet again. Dianne*
