

Linda Brasher Underwood

October 8, 1938 - September 2, 2021

Linda Brasher Underwood was born on October 8, 1938 and passed into the loving arms of Jesus on September 2, 2021 at the age of 82. Linda was born in Minden, Louisiana. She met her husband, Keith, at a Barksdale AFB Dance. What followed was a 58-year marriage, only separated by death, during which they had two sons; Taylor and Ronnie. Linda was a homemaker and mother, transforming her home into a work of art, beauty and comfort through her God given talents of creativity and decorating. She was a true southern cook, creating delicious scratch dishes and desserts for her family year after year. She enjoyed special relationships with her cherished friends and neighbors, especially those from her childhood. Most important, Linda was a loving mother to her sons, continually caring for and loving them all her life.

Linda is survived by her two sons, Taylor and Ronnie. She will be deeply missed by them and all those who knew her.

She looks well to the ways of her household and does not eat the bread of idleness. Her children rise up and call her blessed; her husband also, and he praises her: Many women have done excellently, but you surpass them all.

Proverbs 31: 27-29

“ Taylor and Ronnie,
We are so sorry for the loss of your sweet mom and dad. They were close friends of ours with whom we were able to share some of those delicious meals she prepared. I really enjoyed visiting with them over the years and hearing to their life and the things your dad had been engaged in. They loved you both and wanted only the best for you and especially for your eternal destiny. I was privileged to take them to many of their doctor visits and sorry I was there to share in last part of her life. They both will be sorely missed. You are in our prayers.

“ We first met Linda and Keith at Champions Church of Christ where we were all members. Keith was able to have coffee on Mon. mornings at McDonald's with Nolan and a group of "old" men from church until he no longer felt like coming. Nolan then began calling Keith every Sat. night at 7:00 every week until Keith died to see how he was doing and just to chat. After he died, Nolan continued calling Linda at the same time every week until just a few days before she passed away. We regarded Linda and Keith as not only a Christian brother and sister, but as an earthly brother and sister. Linda took such good care of Keith during his long illness, and we are so glad Taylor was able to retire and move in with Linda to take care of her so well after Keith's death. We will miss Linda as we have missed Keith but are so thankful for our close friendship through the years. We know that they are both in the loving arms of Jesus, and we pray for Keith and Ronnie as they cope with losing their mom and move forward in their lives.

“ I first met Keith and Linda in 2004. Both were great friends. Friends that could be considered family. I take peace in knowing Linda is reunited with Keith in Heaven. God bless all!!
