“ *Sweet cousins, I am so sorry. Aunt Lois was a kind, thoughtful and caring lady with a fun sense of humor. Together we enjoyed the escapades of Regis & Kathie Lee, books we were reading and her infamous zucchini bread! I know you will miss her. Sending thoughts, prayers and virtual hugs to you today.*

“ *Lois was a dear lady and our hearts go out to family and friends who she loved so much. We met her last November at a family wedding. Though we knew little about her, the mutual love and admiration she shared with her family reflected that she was a tremendous person who embraced life and the people she cherished during her fulfilled and meaningful years. We are blessed by the opportunity to have shared a special occasion with her.*
