“ *I have fond memories of Lon from our days in high school. His father owned a gas station not far from the school and my cousin, Louis, and I used to run around with Lon. We were also on the track team together.*

I am sorry to hear of his passing. I value the memories we made together and will always be grateful for the friendship we shared. I pray that God will surround the family with peace, knowing that Lon goes to meet a God who loves him more than any of us on this earth ever could.
