“ I worked with Louis and later he became a customer of mine. He introduced me to boudin years ago and I am glad he did. What great guy he was. Rest in peace my friend.

“ Mr. Luis.....what a great guy. I remember when we were buying the house next door and I mentioned wanting a T Bucket in the garage. The home showing abruptly ended and the visit to your garage started. You were always ready to help with anything. I remember fussing at you to get off the roof and let the young ones do that for you. My kids think the world of you. How many teenagers would still make the trek over there every Halloween just to say hi? We miss you.

Louis

I still walk out of my door in the morning and look to see if you are out in the yard doing something.

I am very fortunate that I got to have this kind man as my neighbor for the past eight years. You were an inspiration to me in my life and I will miss you. Thank you for your friendship. You were a great man.

Louis,

We have been best friends and neighbors for 35 years. You helped me with so many projects. Between us there was almost nothing we couldn't accomplish. Installing a new pool heater or replacing a battery in your computer are just a few. Our phone calls to each other or waving at each other when do garbage duty or just driving by. Carol and I will NEVER forget when you rescued us because my car died on a bridge in the Woodlands, with a full load of groceries in the back seat. Thank you for all the wonderful years and friendship. You will be missed. Love Carol & Marty

Oh sweet and dear Uncle Butch! Our younger days in Gulfport growing up were always fun and joyous when you were around!! Praising God that you are now with Mamaw and Papaw. What a celebration y'all are all having. My Mother, your sweet dear sister, loved you so much, but you are all together now. Thanking our Savior that we know we will all be together again some day. Rest in Peace precious soul. Love you!

I had sent an email to Louis after not hearing from him for some time. We had communicated over classic cars, parts, etc. I'm so sorry to hear of his passing. A fine gentleman. I can see from all of the responses how well thought of Louis is with family and friends. Rest In Peace Louis.
