

Louis "Louie" Junior Black III

May 25, 1988 - December 17, 2022

Louie Black passed away on Saturday, December 17th, 2022. He was born on May 25, 1988, in Houston Texas to Susan and Louis Black.

In high school, Louie was a great basketball and football player, even dreaming to play basketball professionally. After graduation in 2007, he served honorably in the United States Marine Corp until 2011. He then attended Sam Houston State University and was a member of the Texas Pi chapter of the Phi Delta Theta fraternity. He went on to pursue a career in the electrical field and graduated with a degree from IEC. He was well known in his career for always going the extra mile.

On February 21, 2021, he married his loving wife, Kelsey Black. On June 1, 2022, he became a father to his daughter, Cheyanne Black. Louie always dreamed of becoming a father, and Cheyanne was the biggest joy in his life. There was nothing he was more proud of than being her father.

Louie was an avid sports lover, never missing a chance to root for any of his favorite teams. He looked forward to sharing his love of sports with his friends every year in their Fantasy Football leagues. "Sweet Lou" as most people knew him, was one of the brightest lights in this world. He cared deeply for the people he loved, and he would do anything in his power to make sure anyone around him felt his warmth.

Louie leaves behind his wife, daughter, parents, and three siblings along with countless friends. He will be forever missed by all who knew him.
