

Lowell Dunham

May 28, 2018

In honor of MIKE "LOWELL" DUNHAM we want to remember, remind, relive and celebrate the three words that guide us all through life and the words Mike lived by...

LIVE...LAUGH...LOVE...

Speaking of LIVE... Mike was always ready to go out and have fun with family and friends... although he usually arrived late. As for LAUGH... Many assumed he was so quiet... until his dry sense of humor would catch everyone off guard. Most important LOVE... Mike's Mom and Dad were the love of his life until he married Chris the true love of his life. Although he did not say it with words, there is no mistaking the love he had for his family.

His memorial will be:
