January 9, 1993 - September 7, 2023

Madison Michelle Jugon

January 9, 1993 – September 7, 2023

Madison Michelle Jugon was a sweet and loving daughter, sister, mother, niece and aunt. She was a caring friend to anyone she met. Madi left this world suddenly on September 7, 2023, at the age of 30.

She was born to Jim and Diana Jugon on January 9, 1993. After graduating from Carl Wunsche High School in 2011, Madison began pursuing her dream of becoming a nurse. While attending classes at Lone Star College, she also worked as a Patient Care Advocate at St. Luke's Hospital in The Woodlands. It was during that time when she began experiencing the painful symptoms of what was later determined to be an autoimmune disease called Guillain-Barre Syndrome, or GBS.

Madison is survived by her two daughters, Skylar Faith Chandler and Phebe Jane Powers, her parents, Diana and Jim Jugon, her stepparents, Rob Laas and Deborah Kirsh, her grandmothers, Colleen Adair and Nancy Jugon, her adoring sisters Morgan, Montana, and Lauren, her nephews, Zeven and Zayne Johnson, her nieces, McKenlie and Melody Robertson, and many other aunts, uncles and cousins that make up her big noisy family. Madison is preceded in death by her grandfathers, Hubert Adair and Donald Jugon, her boyfriend Joshua Powers, and family pets Buster, Toby and KiKi Marchello. Madison considered herself to be a “nerdy geek” who prided herself on academic excellence, who loved science fiction, fantasy and superhero films,

and was convinced she would one day drive a flying car. Upon her immediate arrival in heaven, she is seeking to learn the truth about alien beings and can't wait to meet them if they are there. Her smile could light up the whole world and her laugh was infectious. She never lost her childlike desire to play and explore. She was always doing something or going somewhere. She loved nature and being outdoors. She never passed up an opportunity to go for a hike, a bike ride, a float down the creek, or a trip to the beach.

Madison will be remembered for her beauty, her gentle and loving heart, and for the way she always rooted for the underdog. To know her was to love her and she will never be forgotten. She touched so many lives just by being a friend to literally anyone who needed one. Madi was our angel baby, and she's a real angel now.

“ This news broke my heart, we were secret friends only her sister knew about me, Skyla would read my text, I loved Madly so much, I knew she was sick, and was working on a law suit, I was so crazy about her, I only saw her a few times a month and I still don't believe this can be true, we were very close and I pushed her away as a relationship because of our age difference, I regret that now I could have had the best year of my life with her, I would do anything for just one more minute with her now, I will never stop loving her.

“ Madison is a beautiful young lady that I met in my living room one day with baby blue eyes, and had a smile that made me smile as a frustrated parent. As years passed, we stayed in touch through my son , her friend DJ. We just talked about aomt or two ago, the next thing I knew, her shell is now sleeping and her Spirit is with The Father. She is no longer suffering nor in pain, for it is us now that has die to this world. R I. P. our preciou s Madison. Forever loved.

“ The first time I met Madison I was doing some work for her dad Jim, Madison was laying down outside looking up at the sky. I heard her say "There has to be 50 of them hovering right over us!" My first thought was oh my, we have a coo-coo magoo here today....then I looked up >>~[Δ]~[Δ]~[Δ]~<< and she was right, **THERE WERE ABOUT 50 UNIDENTIFIED FLYING OBJECTS HOVERING** (so they seemed) **OVER THE HOUSE!** They weren't like anything we had ever seen before, I am almost certain they weren't drones either.

*Madison was absolutely beautiful, inside and out! Her personality was infectious and her smile would light up the room.*

*It has been said, the good die young....well Heaven welcomed home and gained another beautiful Angel to watch over and protect the ones that loved her the most.*

*Madison, you are loved by so many and you will be missed! Until we meet again beautiful, R.I.P.*

*P.S.*

*TALK TO OUR ALIEN FRIENDS AND SEE IF THEY CANT MAKE THAT WHOLE BIDEN CLAN SOME OF THEIR NEXT TEST SUBJECTS. LOL*

“ I only knew you for 18 months, but in that time you touched my life in ways few could. It saddened me that someone so special was suffering so bad. You will always occupy a small part of my heart and I will never forget you and our time together. Never laughed so hard watching SNL “more cow bell”. May your soul finally find comfort.
