

## Margaret Krantz

November 7, 1934 - December 2, 2021

Margaret Carr Krantz, age 87, passed away at her home in Spring, TX, on Thursday, December 2nd, 2021.

She was born on November 7th, 1934 to the late Merland and Mabel Carr in the small farm town of Hunter, North Dakota, where she was raised. As a young woman Margaret met Louis E. Krantz, Jr., the man who would become her husband, in Fargo, North Dakota. Louis was a minor league ball player for the New York Yankees franchise and Margaret stole his heart the night they met; in fact, that night, Louis told his buddy with him that he would marry her one day. Margaret and Louis wed on April 11th, 1955 and celebrated their 66th wedding anniversary earlier this year.

Margaret was a devoted wife, mother, mee-maw, great mee-maw, sister, aunt, and friend. She was a homemaker extraordinaire that raised 3 children. She also had a passion for taking care of others; it was her calling in life. From family members to friends, she could be counted on for love and support through the good times and the bad. She befriended many through the years and her famous fudge list was constantly growing. Margaret loved the Christmas holiday season and always ensured it was special for her family and friends. She took pride in her appearance and was always dressed to the nines with her beautiful clothing, sparkly earrings, and pins. She will be remembered by all who knew and loved her for her infectious smile, those beautiful blue eyes, her generosity, and her ability to make each in her life feel very special and loved.

Margaret is survived by her husband, Louis E. Krantz; sons Skip Krantz, Steve Krantz and wife, Sabrina and her daughter, Sherry Krantz. She is also survived by 7 grandchildren and 8 great grandchildren. In addition, she is survived by her sister, Sharon Radebaugh and her husband, Curt from Minneapolis, Minnesota, brother in-law, Jack Mehall of Arizona, and several nieces and nephews, and many friends.

Margaret was preceded in death by her parents, Merland and Mabel Carr; sisters Sandra Mehall and Harriet Capetz, and her brother-in-law George Capetz.

“ Am beyond grateful to have had a glimpse of Margaret and my Mom’s (Joanne Baldock Blanchard) friendship through the years. Loved the coffee dates at the Carr house in Hunter. All of the Carr family were like family for the Baldock’s.

*In cleaning out my parents’ home I found so many gifts and cards from Margaret though the years. Every gift was wrapped as a masterpiece itself-Mom loved gifts and Margaret always chose the perfect one.*

*Growing up I remember Margaret and Sherry coming up for summer visits. Sometimes I’d even get a box of hand me downs from Sherry—which was funny as Sherry was tall and thin and I was short and never passed up dessert. But I felt cool wearing Sherry’s clothes.*

*It’s probably been 7 or 8 years since I’ve seen Margaret but we did visit via phone. Margaret was so kind to “adopt” me following the loss of both my parents. Even sent me a card with \$20 taped in it. She’d call to say she loved me and truly it made me cry every time but I loved it so.*

*The Hunter coffee crew must have welcomed Margaret with open arms in heaven.*

*We will miss you but know you have earned you place in Heaven with your friends and family who have gone before.*

*To Skip, Steve and Sherry: go easy on yourselves during this time, know you were loved and maybe send me that fudge recipe.*

“ *I am so sorry for your deep loss. Aunt Margaret was such a precious woman. I still remember her putting zinc oxide on my nose so I wouldn't burn at the pool. I first ate brisket at her house and I remember gasping at all the shiny presents under the Christmas tree. She made ordinary things seem exciting and it was so fun to be in her presence. You just wanted to be near her. She loved her family well and you all loved her so well in return. I'm praying that the Father of all comfort will hold you close as you grieve. Love you all ~ Tracy and Dave Nelson*
