“ *Sweet, gentle Marian.
You are gone from this world, but never from our hearts.
You gave to so many - of your love and your laughter.
Those who love you will miss you each and every day. Their
greatest solace is your sweet reunion with Ola, Bruce, Danielle,
Dan, Shirel, Don, Dr. Jones, and "Big Mary."
You are smiling inside.
May God bless your family and give them strength and sweet
peace.*

*With our love,
Karen and Bill

“ *Marian and I met back at Grace Raymond back in 1975. I use to ride my bicycle with my two little girls over to their apartment in the afternoons. Even though I left the teaching field a few years later, we have kept in touch thru cards and phone calls. Marian was such a special lady and loved my many and will truly be missed*

“ I’m so sad to learn of my wonderful friend’s passing. I was privileged to teach across the hall from Marian at Haude. I grew to love her quickly. She was not only an amazing teacher’ but a loving friend. I will always remember those times after school when I would go into Marian’s room just to visit. She always made sure she had M & M’s which were my favorite! She so deeply loved her sweet daughter and husband. I will always cherish the memories I have of my dear friend, Marian.

“*Mrs. McMullen I never knew you, but I know your daughter. She has enhanced our life greatly by extending the warm hand of friendship to my family and me and by being a bridge to community. Thank you for the deposits you’ve put in her that’s made her who she is. We love her.*

“*Mary, as your baby sister, you were always an example to me of giving and sacrificing for others. You took such good care of all of us and was always there to believe in us and give encouragement. It's so hard to say goodbye, but I am so grateful you can now walk and talk and celebrate with not only Jesus, but with Mama, Daddy, Danielle, Dan, Shirel, and Don. What a welcome home party you had with all our loved ones to hug you into heaven! I will always miss you until I see you again. I love you Mary...your baby sister, Cha.*
