

Mark Garrett Lang

September 23, 1966 - March 17, 2026

Mark's big heart is truly one of a kind! And the world feels a little dimmer without him in it.

He brought so much laughter, joy, kindness, beauty and love into the lives of everyone he met. His kindness is a rare gift, and he shared it so generously. He had a way of making everyone feel special and loved.

He built a massive collection of Lego villages, amusement parks, medieval hamlets, trains, Lunar moon landing Apollo 11.

He loved inspiring his friends kids to be creative and enjoy Legos as much as he did!

Mark always makes the world he's in more beautiful and fun!

He is the fun, honorary uncle to his friends kids and he loves all of our pets.

Mark graduated from Gadsden High School 1984, in Anthony, NM.

He enrolled at NMSU in Las Cruces, NM. Soon after he heard the call from Houston (via his friend David Greene) and so off to Houston he went!

Mark is survived by his Mother Margaret (who adores him) and his Father George (who is so proud of him) his brother Ross, who enjoyed long conversations while Mark was in heavy traffic going home.

He is also survived by his nieces Mary Lang and Tessa (Peanut) his aunts Mary Price (Mimi) Patricia Wood (and they both adore him)

And a very extended family of cousins and Aunt Yolanda from Phoenix.

Words from his father: Good kid, good adult, good son, good friend and too good for this earth 😊

Words from His mother: Getting to be your mother is the greatest gift of my life!

Mark, the world is much better place because you were in and we are better people because of you.....

“ One of my fondest childhood memories in Santa Teresa, NM, was being hearing a basketball dribble up my parents’ walkway. It was Mark coming to collect my brothers and I. We’d get over to the nearby school (now STHS) and play ball at the outdoor courts no matter how hot, cold, or dark it was. He always had that infectious smile on his face and I can still hear him vocalizing his basketball moves great tenacity. I can now see him and my big brother Fernie playing one on one in heaven now, like they used to.

My sincerest condolences to his family and friends.

“ I had the pleasure of working with Mark for about 3 years and he became a great friend in the process. The world lost a remarkable man. I have so many good memories with Mark and he made the world a better place.

Here are a few of my favorite photos over the years. We were always laughing.

You will be so missed, Mark.
