“ Dennis - Wasn't just my father-in-law, he was a big part in my pursuit of Christ Jesus. I hope he knew that. Oh, my friend time went by entirely to fast I only wish we had one more day to sit and talk, to be able to show you I made it home.

Dennis and I worked together and there wasn't a day that I didn't enjoy going to work spending the day with him, even if he did give me a terrible time because I was a Dallas Cowboy fan, (Never Said I was Smart Kid). He helped me learn a work-ethic that I still have, he showed me win or lose we were to hold our heads up and ALWAYS show good Sportsmanship. Above all else it was God before anything.

Well Dad I will always regret not being able to say goodbye, but I know one day we will have eternity to catch up. Oh, and you were right when you told me one day I would understand and love my parents. They are my biggest supports and best friends.
