

Mary Ann Alden

May 30, 2014

Mary Ann Alden, Mom or MA as most of you knew here was born on May 2, 1932, in San Francisco, California. As a mother, she was loving, nurturing, supportive and simply wanted her children to be happy. As a woman who loved her family and friends, she was also very loving, always had a smile on her face, and a great sense of humor. She would always go out of her way to help, no matter what the reason or occasion. She loved the church and doing flowers for the church and for her friends for holidays and special events. We were all blessed to have her touch our lives and she will be forever in our hearts.

One of God's most special Angels is now home.
How lucky we all are to have been touched by a true Angel!

Please join us in praying for Mary Ann Alden, and for a celebration of her beautiful life.
