Mary Sue Floyd
1935 – 2020

Mary “Sue” Floyd passed away peacefully at home in New Braunfels, TX on April 18, 2020. Sue is preceded in death by her mother Gladys Morgan; her father Jack Morgan; and by Ray Floyd, her husband of 65 years who passed 8 days earlier. Sue is survived by her twin sister Kay Miller and younger sister Martha Bowling; also children David and Suzanne Floyd; Jason and Sophia Floyd; Melissa and Paula Rust; grandchildren Hunter, Taylor, Jessie and Audrey; great grandchild Jedediah.

Sue was a native-Houstonian. She graduated from Jeff Davis HS where she met her husband Ray. The first of her family to attend college, Sue went onto earn three Masters degrees and served the first half of her career as an educator and counselor in the Klein and Houston school districts. She founded her own private psychotherapy practice in the Champions Forest area and retired after 20 years of success dedicated to helping others.

Sue will be remembered as a strong, loyal and quick-witted friend. After retirement, she fervently dedicated her life to Christ and carried a growing passion for the Lord right up to her final breath. Her last regret was not being able to finish her bible study with her new friends at New Braunfels Bible

“ *We are so sorry to hear about the passing of Ray and Sue. It has been many years since we have seen them, but we have such delightful memories. Thirty years ago, we were a young married couple and Sue and Ray purchased the house next door to us in Champions. They were the kindest and most helpful neighbors ever. We borrowed every tool they had and asked for help often. They were always generous with their time and support. They would babysit our young children and always spoiled them at Christmas. We are so thankful for their friendship in those years. Our prayers and thoughts are with their family. Alan and Karen Howard*

“ Will miss this women the rest of my life on earth. For such a petite lady she could pack a wallop with her 1 liners and quick retorts. It was my pleasure to meet her and live life with her at CFCC. Our small group meetings were always enriched by her sharing life. I spent time with her when Ray was hospitalized here and always had great conversations. SO glad Rick and I got over to New Braunfels to visit them and go out to eat before Sue became so much worse. She was a dear friend and honest open bright spot in my life.

May sorrow not be long as you know she is happy as can be...just perfect.

“ I met Sue and Ray in Houston, Tx. We lived in the same sub-division. I also met her twin sister Kay Miller. My heart felt sympathy goes out to Kay and the Family. Sue and Ray moved to New Braunfels, Tx. and they started going to New Braunfels Bible Church and invited us to join them. Soon after Sue started a Bible class there and again invited me to join her. She was a true Christian lady and knew the Lord's Word. They were a very special couple They will be missed. I'm sorry I didn't have more time with them.

“ We met in our ladies Bible study group at New Braunfels Bible Church in January. So I didn't know her long, but I will remember her as one who knew the Lord and His word well and had such a sweet spirit. When she told us of her illness, there was no panic. Just acceptance because as she knew then in part, and now in whole that she would be with the Lord. Judy McCollum

“ Sue and Ray were both attendees here at New Braunfels Bible Church. I know Sue really enjoyed her ladies bible study. I spoke with Sue last month, and learned about her cancer. I am so sorry to hear of both her and Ray's passing. Blessing and prayers for the family. I am a twin too, so hold a place in my heart for Sue's twin sister. From Sharon Ogrin, secretary at NBBC
