

Mary Reed

December 19, 1956 - January 14, 2023

Mary Ruth Reed, age 66, passed away peacefully with her family at her bedside on January 14, 2023, due to a battle with cancer. She was born December 19, 1956, in Oklahoma City, Oklahoma to Bob and Elnalea Ruth Morgan. She was a person known for her strong faith and Christian beliefs. She worked several years at Tomball ISD before officially retiring in 2021. She was a beloved employee who was cherished by the children and staff alike; even being awarded in October 2020 with a TISD recognition for exceeding her services and dedication.

Mary was adored by her family and close friends. She exuded a spunky and vibrant spirit. Our loved ones have reflected on times when her contagious roaring laughter filled the room with ever-lasting memories. Her weekends were filled with family time, such as having her nieces and nephews over, watching movies, playing games, and enjoying food. Mary had a love for sports dating back to her childhood years. She was a fierce competitor and enjoyed playing all sports with her brothers and neighborhood friends. Mary especially enjoyed watching her favorite college team – OU - and pro football teams - the Texans and Cowboys. Often you could hear her cheering very loudly and excitedly at the TV: GET'EM GET'EM GET'EM!!!

Mary's favorite part about life were her children and grandchildren whom she often reminded of this. She always offered great advice from an unbiased mind and an open heart. She bestowed her faith into her children's and grandchildren's lives. She will be sorely missed by all of her family and friends.

She is survived by her mother Elnalea Ruth Morgan, her brothers Bob Wayne Morgan and John Charles Morgan; her sister, Susan Irene Morgen-Hill; her children, Amber Renee Pye and her husband Kevin Ray Sharp, Ashley Denise Pye, Joshua Michael Reed and his wife Consuelo Ceron Reed, and Morgan Nichole Reed; her grandchildren Scott Bradley Edward Coulter and Colin Riley Coulter; and several nieces and nephews.

Mary was preceded in death by her father, Bob DeWayne Morgan.

“ My precious dear friend Mary. I have known you since I was 12 years old (50 years). You, Bob, Charlie and Susan would come over to play volleyball, badmitton, and basket ball until dark. The gang hung out almost every week night. Y'all were always a part of our family. When you and I got older, we hung out in our single days and you once referred to us as "LaVerne and Shirley" because of the mess we had gotten ourselves into one night after a concert. We were scared to death at the moment but we laughed so hard after the incident and still laughed about it to this day. Driving past Smitty's drive in and you revving the motor up to get attention and then speeding off, you always knew so much about cars. There are so many more stories to tell that kept us in constant laughter, but I don't have enough space. I always admired your strength to handle every situation that would come along in your life and your determination to not let life get you down. But when "cancer" came, once again your strength and your FAITH spoke volumes of who you are. You totally knew that Jesus was your Savior! I love you so much my friend and will miss you deeply, but I know where you are and I know it's Paradise. Until we meet again. Kim Quinters Cantu

“ I will never forget taking my mom to meet her at the Mexican restaurant near Houston. By the time we left, my ribs and face were sore from laughing so much. Being in her presence made my world brighter. She was a joy to be around, and I am blessed to have been around her.

“ My favorite memory of Mary Ruth was swimming when we were little. When she would come to Oklahoma, all of us would walk to Elmwood Park to go swimming. I remember walking bare-footed to the park and spending all day splashing and playing until we were exhausted. Then we would trudge back home, bare-footed, for dinner then bed. This memory provides the full scope of Mary Ruth's life. She always had a smile and joke for anyone who needed it. She loved her family and wanted nothing more than for everyone around her to be happy. She was kind-hearted and generous. She loved with everything she had and was one of the funniest people I have ever known. Her spirit will live forever in the lives she touched. Save a place for me my sweet cousin. - Debra Youngblood
