“ Our condolences to Becky, Mike and Mark and the rest of your family members. Your mother was a wonderful person and our friend for over 50 years. We will never forget the many years our "Hang Ten" group enjoyed bowling, partying, traveling and just hanging out together. We will miss her but am sure she is now catching up with the group that went on before.

*Mom, I know you only knew me for a short period of time and I only wish that it had been much, much longer. Our time together was cut way too short. You are a beautiful woman, an outstanding human being and a loving mother/grandmother/great grandmother. I promise you that I will take care of your little girl. I'm sure that you and Bob are enjoying Heaven as much as Becky and I are enjoying eachother on Earth. Maddie, I need you to know that I love you, miss you and would give anything to see you once again!*

*Your sad son-in-law,  
Earl Draper*
