Michael Edward Bakeberg was born on January 26th, 2007 to Brian and Judy Bakeberg in Brainerd Minnesota and passed away on February 4, 2024 in New Waverly, Texas at 17 years old.

Michael attended Klein Oak High School before switching to Penn Foster online High School.

Michael worked at Spring Creek Feed Store in Magnolia, Texas.

Michael loved nature! Hunting, fishing, camping, beach time, and kayaking were his therapy; he loved it all. He loved to tear apart and rebuild anything he could get his hands on, like his 4-wheeler, but mostly his trucks. He was an old soul who loved old things, simple things and simple times. It was as if he was born in the wrong era. He loved sharing everything with his family and best friends, but he also loved his alone time. The gym and his job were his favorite past times; mainly because they both helped build up his muscles and he liked to flex his strength.

He could make anyone laugh, even at the worst of times, but oh man, the jokes with his dad and brother were the best and most inappropriate. Dido was the best role model to his sister. The connection they “have” is like no other. He is the best big brother anyone could have; from teaching both Parker and Eleanor how to ride bikes, to sharing his love of music and snacks, to giving them rides and just spending time together watching shows and movies. He loved to spoil his Mama; always buying her flowers and gifts, but mostly chocolates. He always shared his hard earned money with everyone and was the most respectful, responsible, giving teenager this world will ever know. He will forever be 17.

Michael is survived by his parents Brian and Judy, siblings; Parker(12) and Eleanor(8), his dog Karl, grandparents Ralph and Patty Bakeberg, Bruce and Kelly Sawyer, aunts; Cassandra (Ron) Dulinski, Angel (Mitch) Carlson, uncle Arlen Sawyer, and cousins; Brooklyn Bakeberg, Landon Carlson, Austin Carlson and Brandilynn Baysinger, and so many other family and friends.

“ We are extremely saddened by the loss of this young man and the tragedy that has struck this fine family. Michael, it seemed, was destined to serve in a role to always better his community in the future one way or another. We were neighbors with the Bakeberg family for a time, and we think that they helped us all at one point or another. During the 2021 Freeze, Brian was going around fixing people's pipes with Michael right by his side. When pipes burst and floors flooded, Michael was right there on the ground pulling up soggy carpet and helping move things. We knew him for his fondness of riding his ATV out back and setting off fireworks in front of our house. He had a great offbeat sense of humor. He was so committed to his Halloween costume one year, he lugged around a wheelbarrow all night and came home with an impressive haul of candy. Often at night I would see him and his dad tinkering in the garage working on some project together. I remember thinking, "Shoot. I want that with my kid someday." We remember how much Parker and Eleanor looked up to him, and that even though he was older, he was never too cool to show his younger siblings how much he loved them. He was undoubtedly so loved. There are no flowers extravagant enough to outshine what would have been his bright future. There are no laurels grand enough for what would have been his many future accomplishments. This family has our deepest sympathies. Rest in peace, Michael.

Sincerely,
Your Neighbors

Our hearts and prayers go out to Michels family . We have been so blessed to have had Michael in our daily life at work . He was one of the finest young men I have had the pleasure of knowing in my 30 + years. He had a heart of servantry and a humble spirit . Head down focused on the task at hand . Never one to walk away when you needed help . He made it a pleasure to walk into work and see his huge smile underneath this massive head of hair . Mom and Dad Job well done . There is no doubt in my mind where he is today . A far better place then us . We will miss him everyday but carry him in our hearts . I thank God for allowing us his company for this time and we will see him soon . In this world that is so crazy right now Be a Michael ! ❤️🙏 Love you so
