“ *We don't recall ever seeing Mike without a smile. Webster's dictionary could define "friend, friendly & eager to help in any way" with a photo of Mike.*

“ I still do not understand why "Bad things happen to Good people" and Mike was truly one of the Good guys. He will be missed by his family, but kept alive in our hearts and with all of the great memories we have of him. Keep the Lights on for us Mike.

“ We have been neighbors for 21 years. We miss seeing Mike walk his dogs in our subdivision, he would always stop and talk, and he would also offer to help if he saw you doing something. He was a very nice and soft spoken man. We are sorry to see him go

“ Mike and I worked together for 30 plus years and I can honestly say 'I could not have asked for a better teammate or friend'. In our younger days we enjoyed many adventures together and build some great memories. I will miss him. Rest easy old friend.
