“ *I remember Mike from way back, at Matzke Elementary, I believe. He was very kind-hearted young man who was a good friend to all who knew him. I am praying peace and comfort over his wife, mom, dad, brother, sister, extended family and the many friends I'm sure are missing him. May God bless you all.*

“ Dear Peggy, Trey and I are deeply saddened by the sudden passing of Mike. We know it has been a while since we have talked but we have thought about you both many times. We had some fun times together in the years past (the lake, hot tub, dinners out and the remodeling of my kitchen by Mike Garrett) all super fun times. Mike was a fun and caring person and will be missed by all who knew him. May you find peace, comfort and love in the days ahead. With deepest sympathy, Glinda & Trey

My condolences to Peggy and the family. We always wish we could go back in time and re-do some things, but in life things happen for a reason we dont always understand. It's tough but God said He'd never give us anymore than we could handle. Hang in there and one day at a time. With love to you all, Kevin and family.

Oh Peggy 😞 Just hit me that Kim has been talking about Mike! Mike and I are so sad to hear about him dying. I remember when I first met you and got to know you that you told me about meeting Mike and that he looked like Alan Jackson. We had such good times together at Klein. We had some fun times together. Parties at your house, going out dancing and getting to know your parents. Please know he is in our thoughts and prayers and hope you will find peace. Sending lots of love, Lorrie and Mike
