“ *The memories I have with you in high school going and doing our JROTC thing. Bro I'm lost for words right now but I want to say thank you so much for being apart of my life and I thank God be blessed you to cross my path in life. I will forever have love and respect for you man and you'll never be forgotten. All I have is flashbacks right now of us hanging out and talking when I needed advice or a laugh you were there. Missing you already bud. Save us a spot. I'll see you soon !*

“ *Although I didn't spend alot of time with Michael, I fondly remember how much he loved his family. I also know how much his mom loved him. That was obvious through our conversations and her Facebook posts. It is hard to comprehend that he is gone, but he is with his Father and watching over his family. Hugs and prayers to Mike and Linda!! 🙏❤️🙏❤️*

“ *I remember seeing your beautiful face for the first time on Thanksgiving at Aunt Mary's. You are the pride and joy of your mother's heart. Loved you Breanna and Val hanging together with your secrets between each other. Especially you and Breanna almost roomies. You will be missed so much. But I do know you and Breanna are roomies now forever. Till we see you all again. Love you.*
