

## Michael Joseph Romano

February 8, 1964 - July 17, 2021

Michael Joseph Romano went to be with our Lord on July 17, 2021 at his home surrounded by family. He was born February 8th, 1964 in Portland Maine.

He is survived by his wife Connie Romano and his daughter Ariel Romano, step son's Philip Metting and Brandon Metting, his parents William Romano and Margaret Romano; and his siblings Sheila Althouse, Debbie Tindall, and Mark Romano.

Michael moved to Houston, Texas in 1984 from Portland, Maine.

Michael had a great love for his family and his children. He was a volunteer for the Houston Livestock and Rodeo for 16 years.

Michael worked as an IT consultant for thirty-six years. He not only worked for his clients but he was the one whom family always called when they needed any help with their computers. Michael loved to take over your computer not only to fix your issues, but sometimes just to mess with you. He not only was great at what he did, he truly loved his work. He always had the most updated electronics and couldn't wait to show you how it worked. Michael loved golfing and he enjoyed taking his father out on the course for the day. He was a gift giver and he loved to show his love to his family with gifts. Michael had a big heart and a caring soul. He was always there whenever anyone needed him. Michael's last thirteen years he spent married to his wife Connie. His only regret was he didn't find her sooner, but thankfully he did get to enjoy his last years with his true soulmate. Michael was a wonderful father and loved to take

the love of his life, his daughter Ariel out on movie dates where they would only go with each other to see the latest superhero movie. Anyone who knew Michael knew his love for batman. He raised a beautiful daughter and he enjoyed watching her grow up to become the woman she is today. Although Michael left this world sooner than we would have liked and we will miss him terribly, we are so fortunate to have him here for the time that we did. We know God needed him more and we will all be together one day.

After the service there will be a gathering at Michael and Connie's home.

“ The most prevalent memory I have of Uncle Michael is of him dressing up like Batman and that was just him. He was fun and goofy. I believed he was actually Batman until I realized he was in fact a real life cowboy or maybe that was just his disguise. I honestly don't think we will ever know. I do know that the Houston rodeo will never feel the same without him around but I'm so very thankful for the impact he has had on all of us. Just like Batman the spirit of Uncle Michael will never die out. I love you and miss you.- Netty
