“ I was shocked and saddened to see that Michael had passed away. I worked with him for many years and he was always upbeat, kind, and willing to help you out in any way that he could. He was a good friend and he was always there to vent to and give you suggestions in his own Michael kind of way, even when things were not fair to him. I just messaged him a few days ago and I thought that it was strange that he didn't reply back to me. Rest in Peace Michael, You will be missed. 🥺💔
