“ *On November 17, we crossed paths and joined together at heart. From that day forward in 1979. We were inseparable. You were my voice, my right hand in everything I did. No one in my life has been my biggest cheerleader, even if it was just you. You introduced me to the best life to live having a open mind to Travel and see the world. I thank you most of all for being the best mother a girl could ask for. I hope I made you proud along our journey and beyond. I love you mom! My #1 life teacher.*

I have known Monique for more then 35 years. I was proud to have her as a valued member of the Kraft Foods Grocers Supply Team for many years, She was loved and respected by all her customers and her peers. No matter how many obstacles she would face in a day she would always handle the problem in a professional way and still always have a great smile on her face. Nothing could ever keep her down, I watched her daughter grow from a child in elementary school to completing her final days in college. Monique was always so proud of her daughter, Christina, and all of Christina's accomplishments which were many. Whenever I would see them together I knew I didn't have a chance to talk.... to just listen. I will miss Monique, she was a good friend. Paul Van Veghel
