“ Sorry to hear Paul is gone. I was a classmate of his at La Marque High School. We had a great time and got into lots of minor mischief together. I haven't seen Paul in many years since I moved out of state. Great guy.

I only knew Paul for a short time. It was an honor to get to work with him. We both shared a love for animals and he never minded me feeding the strays around the office. He was a very genuine person and will be deeply missed. RIP Paul
