

## Norah Marie Tewksbury

January 15, 2014

Norah Marie Tewksbury was to everybody exactly what they needed; which meant something different to each person. She began as a daughter, born on April 19, 1994 to her loving parents Deborah and Alejandro Tewksbury. She became a sister to her brother Kyle and valued every moment spent together. Throughout her years, Norah derived great joy from swimming, playing the cello, making new friends, and helping others. She also had high hopes of making her parents proud. Above all, Norah was an adoringly compassionate girl who always put everyone else first. Her love and spirit will remain with us forever. She is survived by her mother, Deborah Tewksbury; her father and stepmother, Alejandro Tewksbury and Elena Litvinenko; brother, Kyle Tewksbury; grandmother, Nora Castro; treasured lifelong friend, Haley Paige; many beloved aunts, uncles, cousins, and special family friends.
