Pam was promoted to TBC vice president in 1996 where she was recognized in the NACS publication "The College Store" as one of Twenty Women to watch. She was a recipient of Retail Division's highest award, The Eagle Award for her contributions to TBC's success. Pam touched so many lives at TBC and was a big part of the company history over

Even during a long battle with cancer, Pam had an unwavering faith in God. She was actively involved with her church sisters hosting fundraisers and going on bible retreats. Her lasting impact as a mother, grandmother, friend, and colleague is forever entrenched in the lives she touched. She loved to travel, but most importantly, she loved spending time with her family, reading novels, and spending time with her cat Khaija.

I first met Pam as we attended the CHRP retreat at St. Edwards in July'15. She became our Lay Director as our group grew in service to the parish. And what a leader she was... So very organized, efficient and to the point. As several years have now passed and we were kept busy with retreat duties, bake sales, etc. However I hadn't really known her on a more personal level until her recovery from cancer surgery. As I assisted with dressing changes and visited Pam at home, I got to meet Michael, Khaija and other furbabies. She was so relaxed and welcoming... which included plans to share a couple of her holiday recipes as time would allow closer to the season. I soon found myself driving her to some appointments at MD Anderson. We had some great conversations and for that I am grateful. I never expected to lose her so soon. She had a great faith as anyone who knew her can attest. And I'm sure she was well received as she passed from this life. I pray she watches over us and can rest now that her job is done.

“ *My deepest condolences to the family and friends. This world will never shine as quite as bright without you Ms. Pam. You taught me so much, and I am grateful to have had the opportunity to work under you and learn from you. I wish we could have gotten together like we had discussed. I wish I had known, I wish I could have had just one more conversation with you. You lifted me up when all seemed lost, and fought for me when I had given up. Your spirit was so kind and pure despite the tough exterior shown in work. Until we meet again my friend, you will live on in our hearts and minds. I love you. Rest with God. When I get to where you are I hope we can have our lunch date that time has taken from us on this Earth. ♡*

“ Mrs.Pam you will never know how much I have appreciated every time you have spent precious time helping me to learn my new position. the reason why I am here is because you saw something in me that needed to be cultivated and although I thought it would not work ,you convinced me that I would do just fine. Thank you for the many times that we have prayed together and shared our Faith in God. I will love you Forever.
