“ *I knew Patty from the time I moved to Austin in 1985, and worked with her at St. David's. She included me in Thanksgiving for many years. I went with her and her ex-husband Tommy to look at places for Tammy. She was haunted by many things, and I hope that she found peace at some point. I send my late (just saw this) condolences to her children and family/friends. She once asked me to tell her kids that she loved them when she was in a bad place- and I believe she did. Kaci, Tommy- your mom loved you. She did her the very best she was able.*
