“ My condolences to the Futch Family on the passing of Pat! We were high school friends and later her family moved into our neighborhood in Ella Lee Forest. Pat and I became closer friends. I vividly remember how excited she was when she began dated James! I even gave her a Bridal Shower at my home before their wedding. We stayed in touch through the years. I know how much she loved James and appreciated his devotion to her. She told me many times ! She loved her sons very much and was proud of them. May she rest in peace. My deepest Sympathies to the family
