

Patricia Irwin

November 6, 2012

Our dearly loved wife, mother, grandmother and best friend, Patricia Irwin, passed away on November 6, 2012 after losing her battle with cancer. Patricia was born on November 12, 1943 – she was just 6 days shy of her 69th birthday. It is our deepest hope and belief that she is now peacefully resting in the loving arms of her savior Jesus along with her two sons (Byron Michael & Rodney Ray) as well as her mother and father (Lola Mae & Haskell Holder) and brother (Howard Ray Holder).

She is survived by her devoted husband of 53 years Byron Oden Irwin; her youngest son Eric and his wife Cathryn and granddaughter Kaitlyn; daughter-in-law Cathy and grandchildren Joshua, Alex, and Ben and great grandchildren Kaydence & Brody.

A native Houstonian, Patricia was a traditional stay-at-home mom and grandma choosing to invest her life in the care, nurture and protection of her children and husband. She was famous for her love of babies, children, ice tea, incomparable southern cooking and remarkable green thumb when it came to her lushly landscaped flower beds. For 53 years she persistently made our house a home and our hearts will never forget the love she exuberated. She was truly gift from God. We will deeply miss her face, smiles, hugs, kisses and spirit.

The Addison family and staff extend our heartfelt condolences to the Irwin family in their time of loss.
