Sando and Sandi I just want to start by saying my sincere and deepest condolences. It is hard to say, but Auntie Patricia, go and take your rest. We love you but God loves you best. You touched the hearts of many. I remembered growing up as a little girl, I spent so many weekends with you. How can I ever forget that? Those were the greatest moments and highlights of my life! You made my prom dress. We both envisioned it and you brought it to life. Thank you Aunty
