Patricia was born in Corpus Christi, TX to Minnie and Darrel Pollard. She graduated from Slaton High School in 1970. She had four children and she loved them with all of her heart. She enjoyed traveling, attending social events, live music, and cooking. She had a heart for animals, rescuing many cats and dogs throughout her lifetime. She loved her friends dearly and enjoyed getting to see them whenever she got a chance.

Patricia was a highly regarded relocation professional, a frequent speaker and panelist at Relocation Industry events. She served on the Texas Relocation Network board and was the 2018 President of Relocation Directors Council. She was a recipient of a Distinguished Service Award from Worldwide ERC. She approached every relocation role she had with passion, integrity, consideration and hospitality.

Patricia was preceded in death by her mother, Minnie, her father, Darrel, and

her brother, Pete. She is survived by her children, Heather Thomas along with her husband Howard Thomas, Geron Burkett, Whitney Sostarich along with her husband David Sostarich, and James Travis Williams along with his wife Jacquelyn Williams. Her grandchildren, Emily, Lauren, Kathryn, Julie, Abigayle, Atticus, Elyza, Eli and her great granddaughter Samantha, along with two great grandchildren she was eager to meet later this year, her sister Sandra, her brother Gary, as well as numerous nieces and nephews.

“ *Patricia was a real estate influence at CB Un that we all respected and appreciated. But even though she was all about work especially during training sessions she quite often spoke of her family, grandchildren mainly but with so much love, I almost always came away refreshed and knowing exactly why I work so hard.. my family. So sorry to all of her family I wish she were still here laughing and being with you.*
