

## Philip "Rocky" Frances Jr.

May 29, 1973 - June 1, 2026

Philip, or Rocky as he was affectionately known to his family, passed away unexpectedly in the early hours of June 1, 2026.

As a young man, he had a love of adventure and enjoyed his travels to Alaska and Hawaii before returning home to Houston.

He began his career in manufacturing with the Oil & Gas Industry. He loved his work and was always looking to share his extensive knowledge for the next generation. He always said he had a special language with CNC machines and Robotics. He had a love of learning and expanding his knowledge for anything he was currently interested in. One of his proudest accomplishments was creating the program for a CNC machine of Michelangelo's Pieta.

He cared deeply for his wife, family and friends and always wanted you to know how much you were loved. He was passionate about cooking and sharing the love he put into every dish. That was one of his ways to show how much he loved you.

He had a lifelong passion for PC Gaming and had a large network of friends within the various game communities.

He is survived by his wife Tracy, daughters Alanna and Alexa, grandchildren Addison and Amelia, his parents Philip and Paula, brothers Ray and Michael, nieces and nephews Payton, Payne, Jace, Baylee, Lane, Krista, Kanon and Ashley.

He is preceded in death by his mother Mavis and brother Russell.

“ Philip was one of the kindest, most caring people I have ever known. His generous spirit and big heart made a lasting impact on everyone fortunate enough to know him. I am forever grateful for all he did for me. He was truly my brother from another mother, and I will carry his memory with me always.
