

## Phillip George Johnson

July 23, 2015

Phillip George Johnson, age 84, passed away Thursday, July 23, 2015. Mr. Johnson was born April 28, 1931 in Houston, Texas. He graduated from Reagan High School in 1949 and then served honorably in the U.S. Navy Submarine Service from 1950-1954 during the Korean War. He graduated from the University of Houston in 1958 and was employed with the U.S. Postal Service for 36 years. He participated in softball officiating with ASA for over 30 years; Phil was an avid golfer his entire life who celebrated 2 hole-in-ones and was never far from his clubs. Surviving are his loving wife of 41 years Linda Bilski, daughters Brenda Joy and husband Coby Rhoden, Jodee Bliss and husband Corey Power, and son Jeffrey Brooks Johnson. One of Phillip's enduring pleasures in his last years was spending time with "the babies," beloved grandchildren Colten and Callan Joy Rhoden. Phillip was a man of great faith, integrity, and love of life. He will be greatly missed by those he loved. Phillip instilled the importance of education to his family; rather than celebrating his life with flowers, please contact his family if you would like to support a college fund for the grandchildren in his memory.

“ Linda and Family,  
I am sorry to hear about Phil's passing. I considered him my umpire mentor. I had many good times umpiring with him over the years. He was a good friend and great person.
