

## Prescilla Marie Sanchez

October 17, 1998 - May 15, 2020

Prescilla Marie Sanchez, age 21, went home to Heaven wrapped in Jesus' embrace after a horrible car accident on Friday, May 15, 2020. She was born in Dallas, Texas on October 17, 1998 to Margret Ashley and David Sanchez, Jr. Prescilla was a 2017 graduate of Lewisville High School and an English major in the class of 2021 at Texas A&M University. She aspired to become a high school English teacher and one day to have a family of her own.

Prescilla accepted Christ at a young age and always kept her faith written on her heart. She was an active member of the Fellowship of Christian Athletes, met weekly with her church Lifegroup and attended annual mission trips to various college campuses. She loved being an Aggie almost as much as she loved God and did not hesitate to share either with those around her.

Prescilla's grace translated into all of her endeavors, from discipling her peers to running track and playing for her high school varsity volleyball team. Mature beyond her years, she was respected and beloved by all who knew her. She had a genuine passion for books, playfulness, creativity and the outdoors. Outside of family, she especially loved spending time with her roommate, Kaitlyn Tipton, and beloved boyfriend, Brandon Rush. Prescilla was never afraid to be genuine and there was sincerity and thoughtfulness in all she did. She was patient, kind, honest, and brave; she truly captured the hearts of us all and lived up to every hope you could have for a daughter, sister, or friend.

She is survived by her mother, Margret "Lori" Sanchez; her father and stepmother, David and Shelly Sanchez; five sisters, Audrey Sanchez (19), Isabel Sanchez (9), Evelyn Sanchez (6), Hazel Sanchez (4) and Josie Sanchez (21 months); one brother, Kingston Brannon (8); and many grandparents, great-grandparents, aunts, uncles, and cousins.

Family and friends are invited to the ADDISON FUNERAL HOME, 18630 Kuykendahl Rd., Spring, TX, in pre-assigned 30 minute time slots from 1pm-7pm on Saturday, May 30, 2020 to reminisce, grieve and support each other. In lieu of flowers, donations can be made to Prescilla's church community, Antioch of College Station, for use towards mission trips.

“ *I love and miss you Prescilla. You inspire me to this day to be a better person. Brandon misses you and he loves you so much. I know you are watching over us and I feel comforted by that. I just started my first year of college. It's kind of crazy because I met you when you were in your freshmen year of college. I wish you were still here because you were meant to be my second sister. I think about you a lot and I just want to say that you impacted so many people's lives. You have a beautiful soul and a loving heart. I love you so much and I miss you.*

*I made this in my room the night you passed away. I have a picture of you added to it now as well.*

*So much love,

“ I miss her so much. I remember when we first met and she greeted me with a huge smile and started talking to me instantly at summer camp, those big eyes filled with the wonder of a child. We were so similar, I won't ever forget that. Almost the same person and I remember thinking I had never met someone that reminded me so much of myself. I understood her and she understood me and talking to her was so natural. She always encouraged me to pursue Christ. I really wanted to be her roommate freshman year at A&M, but God had other plans and I ended up going to OU for college. I will never forget P. She left an indelible mark on me and my life was changed with this news. I will be better because of her. Live my life with the same childlike love she had. Love my family and sister the same way she did. Pursue Godlike relationships and bless everyone in the way she did. I had a real, special bond with her, I won't forget it. Prescilla saved some messages that I sent her when I was going through a hard time and she also saved her responses. I'm so glad she did that because now I can go back and look at them when times get hard. I saw so much of myself in her and feel a part of me is lost. I cannot wait for her to greet me at those gates one day with the same loving kindness she had when first met. I love you forever Pres and I honor the life you had here but celebrate the life you get to experience eternally! I bet you are having the time of your life up there. forever and always, katelyn :)

To Prescilla's mama if You ever read this,

Your daughter is extraordinary. We don't meet people like her often. People Prescilla and I's age don't have as much wisdom as she does. She is wise beyond her years, and is so faithful to God. I pray for her everyday. I love her so much! You are a blessed mother of the most beautiful person. I cannot wait to see her again! God bless you!

“ Prescilla and I were in the same group our senior year of AP Biology. Our group of four became really close over that year. Prescilla made me laugh until my eyes watered almost every day. Those moments are some of my favorite of high school and I'm so thankful I got to know Prescilla.

“ I remember the time when I was in chemistry class and Prescilla noticed I was down. She asked me what was going on, so I told her and she told me to come and join her in FCA. After I joined her in FCA my whole day changed after that. I will never forget her great and sweet smile every morning and it always brought a smile to my face. Rest In Peace Prescilla.

“ My condlonsces to the Family of Prescilla Sanchez and Im sad to have learned of her tragic passing. Prescilla was my next door neighbor when she lived at Revielle Ranch in College Station, TX. She and Brandon her boyfriend would invite me to hangout and we shared a time of baking Christmas Cookies. I will miss her everyday she meant so much to us all. I would always enjoy our Daily Scripture Reading devotionals she would plan. She was a true devoted Angel In Gods Eyes. She is now Praising Jesus In Heaven.

“ Sending our sincere condolences for the passing of Priscilla .she is flying high into the golden gates 2 of heaven . Where all the family's that had passed prior. She was welcomed home by Jesus and family. I know she left suddenly and all will miss her deeply. She is now a new angel guarding over all her family on earth. When one day .ya see a red bird in ur tree just out of the blue .old folklore tells that this is a sign from above of your loved one just flying by just for briefly checking in on those who loved and miss her. Prayers for the family to have strength and tranquility during this very difficult time.

“ *Wow!! I've never met a more stronger, more confident, God living girl like Prescilla. From the first time we met as she started attending our church, her love of Jesus shined so bright. Her smile and laugh were contagious. Her love for her family was indescribable. I guarantee you, with zero doubt, she earned her wings. She is where she belongs even though it's not what we want. I will celebrate her life because that's what she would want. Fly high Ms. Prescilla. Fly high.*

“ *Prescilla, everyone knows heaven gained an angel. Not many know however, that that angel was one of the best heaven could've received. Your faith, your kindness; your love, everything that embodied you was out of this world. We were never as close as I wish we were but you impacted me greatly. You were the first new friend I made in high school and I could not thank you enough or tell you how grateful I am for how much you impacted me in such a short time. You will always be loved and always missed. I pray for your family as well during this time. My deepest condolences go out to them.*
