

Rachael Wheaton

March 5, 1983 - January 8, 2020

Rachael Pauline Wheaton, 36, died on January 9, 2020, in Spring, Texas. After a long and courageous struggle she is finally at peace. Rachael was born March 5, 1983, the youngest of three daughters to Karen and Andrew Wheaton, who survive her.

Rachael attended Klein Oak High School from 1997-2000. She went on to earn her cosmetology license and become a licensed vocational nurse (LVN). She was a talented stylist and colorist and many of her family and friends were appreciative recipients of her services. In addition, she worked as an LVN in several nursing home and rehabilitation facilities as well as home health care. She became an outspoken advocate of decent and loving nursing care for the elderly and those who could not help themselves. Rachael's life work was making sure that her patients felt the warmth of her attention and felt safe in her care.

Rachael is survived by her daughter, Natalia Moore of Watertown, NY, whom she loved with her whole heart. Rachael also leaves behind her two older sisters, Allyssa Wheaton-Rodriguez of Arlington, TX, and Dana Marshall of Morgan, TX, as well as her brothers-in-law, Arty and Phil, five nephews (Bennett, Lachlan, Raylan, Case, and Boyd), many aunts, uncles, cousins, and friends who mourn her passing. Rachael was caring, funny, and outgoing, and she never met a person she didn't want to make laugh. She made friends

everywhere she went, which was one of the many things we loved about her.

The family asks that in lieu of flowers donations be made to the National Alliance on Mental Illness at www.nami.org. If you or someone you love is struggling with mental illness and/or addiction, please seek professional help. Please talk to your children about mental health issues and end the stigma of people thinking they need to go through it alone or fix it themselves. Thank you to everyone for the outpouring of love and support to the Wheaton family as they stumble down this grief-filled path.
