

Reece Jones Hundley Jr

August 13, 1939 - June 11, 2020

Reece Hundley passed away on June 11, 2020 after a long illness. He is survived by his wife Linda, his partner in life and unwavering support. He was the proud father of six children and loved to take them fishing, skiing and camping at Garner State Park. His numerous grandchildren loved to spend time with their Nana and Daddy Reece. He was an amazing, husband, father and grandfather. He is now free to fish as much as he wants and we will miss him until we are joined with him again.

“ *My condolences to the family of Mr. Hundley. I came across this notice while trying to search for his contact information. If this is the same Reece Hundley that was in the "headhunter"/employment industry in the 1990s, I just wanted to pass along to the family that I've always considered Reece to be a key positive influence during a transitional and upsetting time in my career. I wasn't quite 30 when Reece helped me tremendously through his wise counsel. He also assisted me in finding new employment ca 1992. I often think of the key people in my life that positively influenced me and Reece is on that short list. What started out as a search to try and find him and thank him personally ends with these few words that I hope provides additional comfort to his loved ones.*
